

Spring Plays (1, 2, and 3)

Hey, kids, let's put on a show (or 3)! Play 1 (ages 5-7) is "*101 Dalmations*". Play 2 (ages 8-10) is "*Fractured Fairy Tales*". Play 3 (ages 11 & Up) will be chosen by the class.

An exciting acting experience for performers of all levels! Through the use of a scripted play, students will improve their stage technique and learn to explore and inhabit specific characters. Not to be confused with our Spring Musical, the Spring Play is all-acting, and requires no singing/dancing.

Stage performance is a proven tool for developing self-confidence, poise, and presentation skills.

The class will learn about all the aspects of putting on a play, including costumes, props, and sets, while preparing to perform their play at the end of the semester in our Spring Recital.
